What is canvas for ?

- Canvas is a new learning management system
- Canvas is used to

1. access course/site documents,
2. research links and library resources,
3. receive & deliver completed assignments electronically
4. take tests
5. and communicate with the instructor and each other.

How to log in Canvas

- Use the same UserID and Password of mytroy.edu
- Userid and Password is also used to log into troy.email

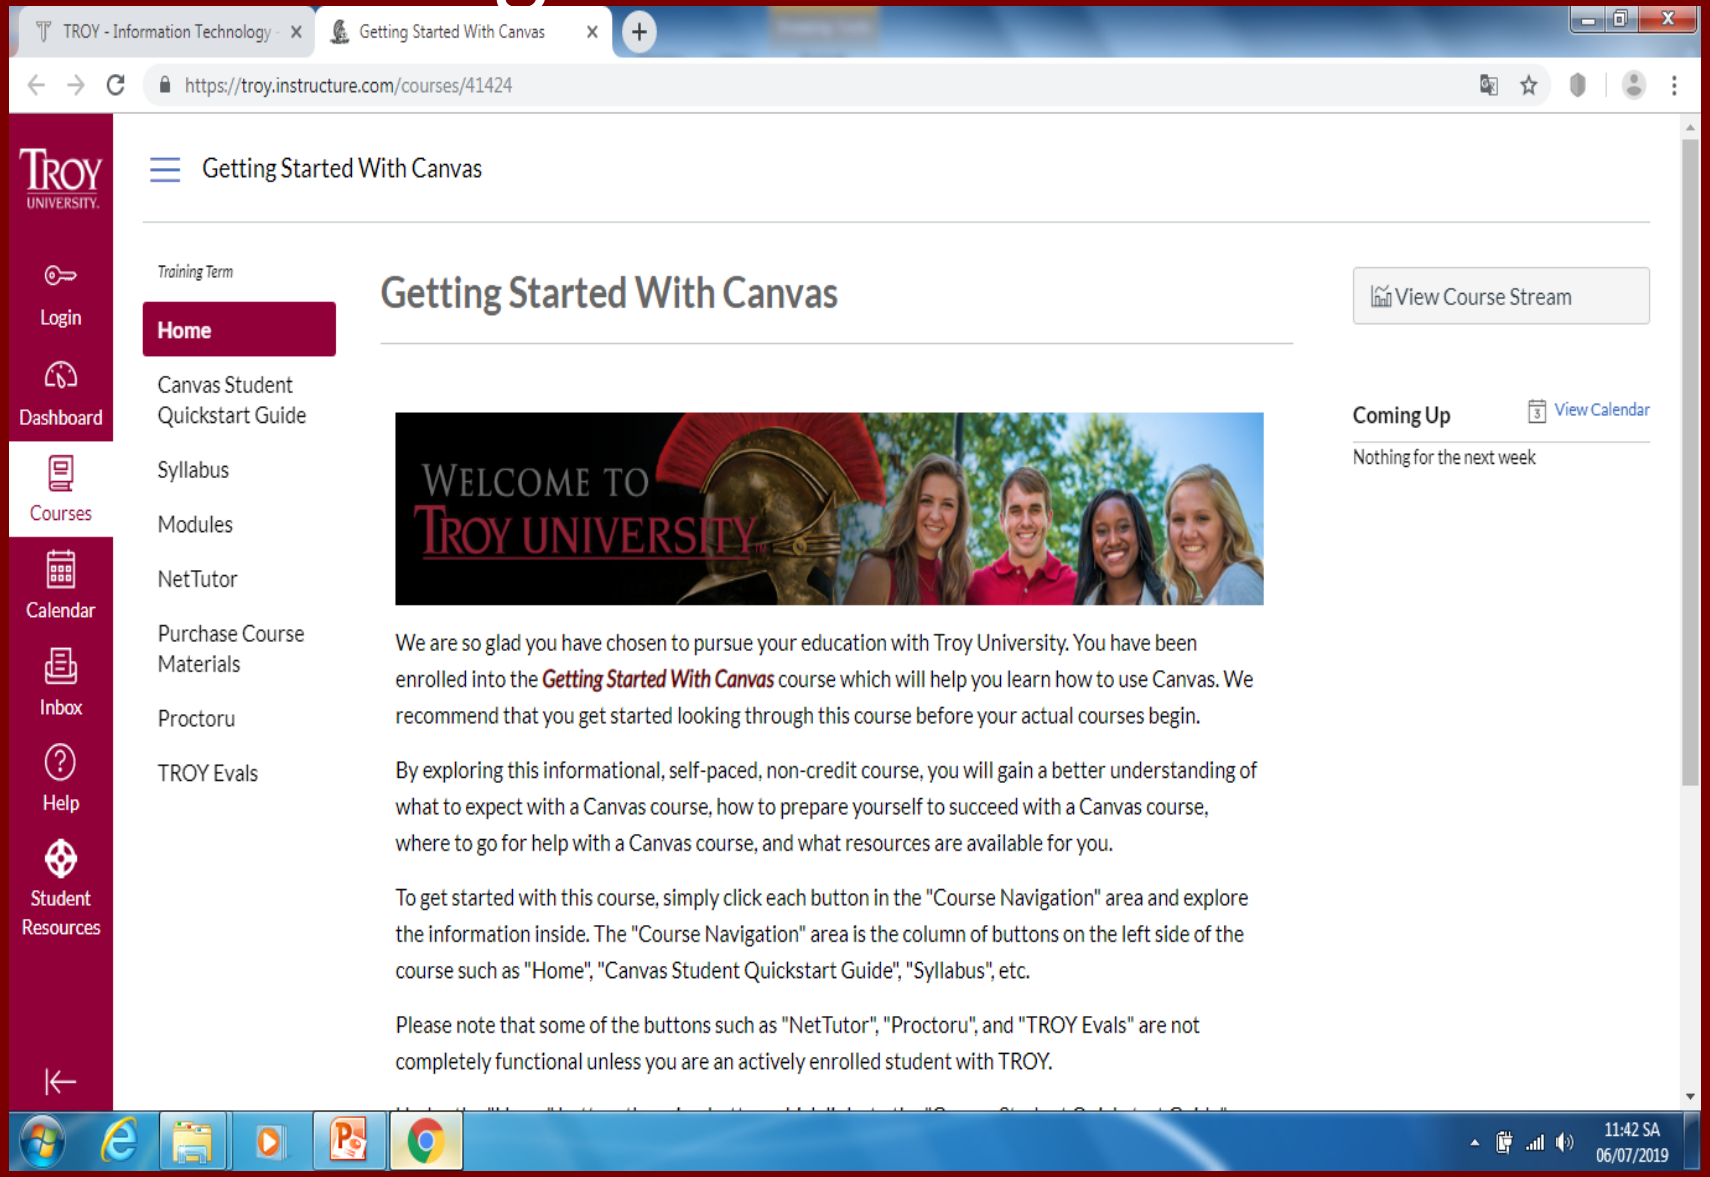

Note: when using 365 email, you are required to use two factor authentication to verify before accessing.

Email address

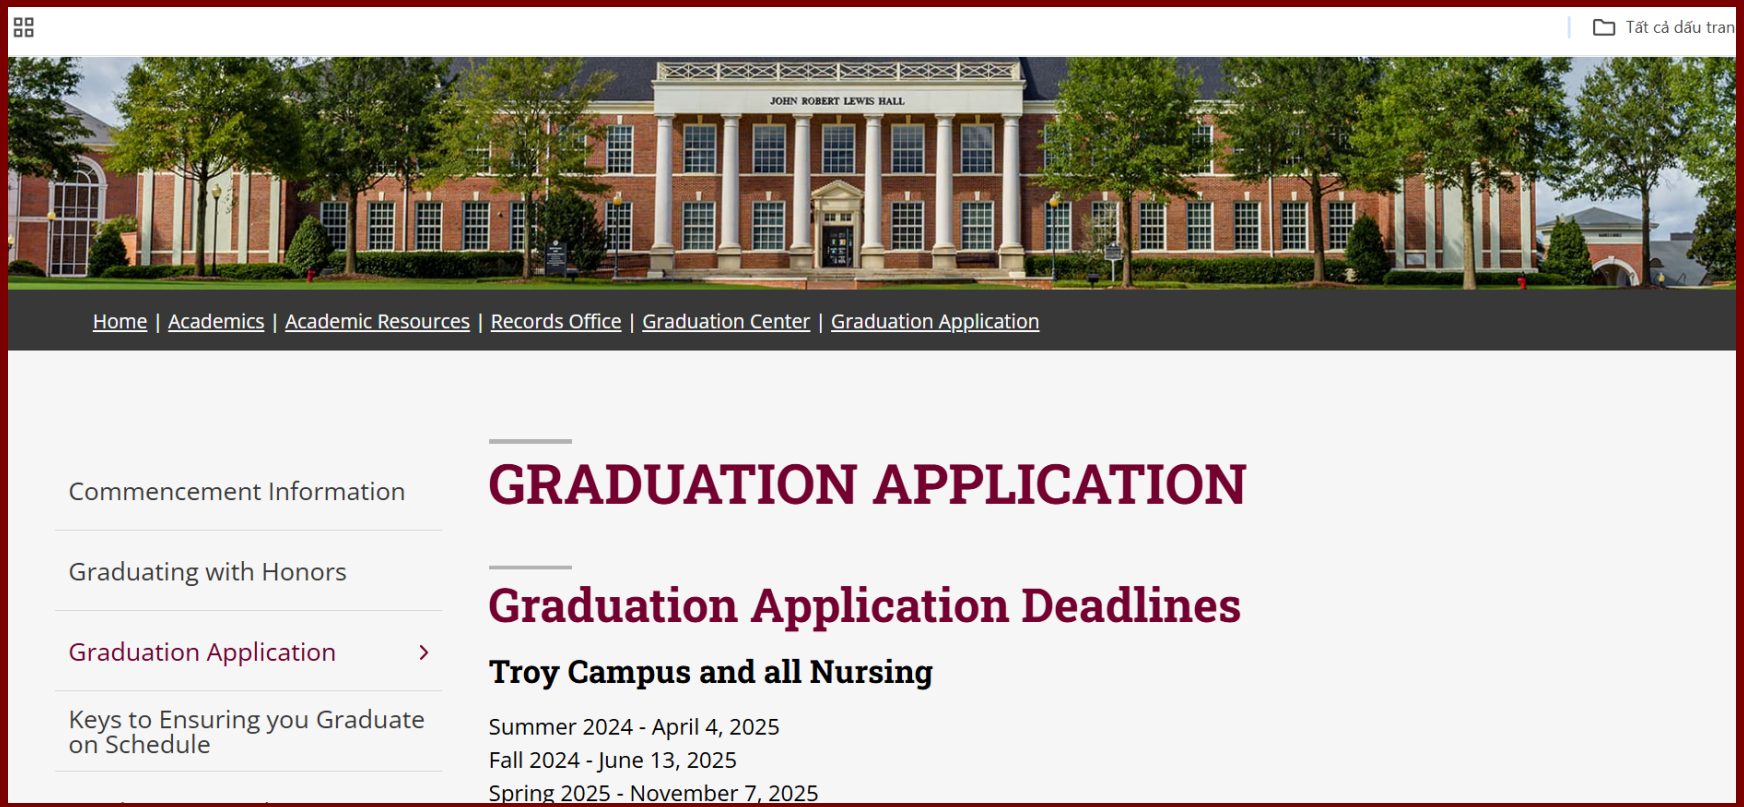

- Students are required to use Troy email address to contact faculty.

https://it.troy.edu/office365/
